

★★ **March SERVICE SPECIAL #1** ★★

**ZF3301 REBUILT / SERVICE EXCHANGE
GEARBOXES – suit 6.5M3 Mixers**

**- WE WILL GIVE YOU \$400 TRADE-IN ON YOUR
OLD ZF GEARBOX**

*** comes with a 6 month warranty**

Cesco gets the best out of technology re-builds and you get the best price. Our highly-trained technicians firstly do a thorough visual inspection to assess the quality and capacity of the gearbox. Any boxes that have any broken or damaged teeth or worn & faulty plate covers are immediately binned.

All rebuilt gearboxes are disassembled to check quality on all moving parts. New shaft seal is installed and other seals that need replacing. The unit is then resealed and bearings replaced for those that need remedial work.

**Special Price: From \$1,700.00 + GST (after
Trade-in) *Conditions Apply***

**** For this great rate - ring for Quote - The Code to quote is CMS1!**
