

★ NIGHT SERVICE SPECIAL ★

**DON'T LOSE \$'s TAKING TIME OFF
THE JOB DURING THE DAY**

➔ **FULL HYDRAULIC SERVICE & REPAIRS -
Now Available AFTER HOURS!**

Get our night crew – the **Night Hawks** on the job! Now you never have to lose any job hours during the day - which can cost you more than your hydraulic service job actually costs getting it done during day-time hours!

*Our **Night Hawks** can fully service or repair your unit when it's not costing you to be off the road. Drop it off after finishing your day shift and pick up later that night or early the next morning.*

RING EDDIE for this service which will save you both money & time. We can work in with your drop-off and pick up times.

Fleet discounts available!!
