

OCTOBER SPECIAL #3

PAINTED 3" DOUBLE ACTING RAMS

- Save \$50.00 OFF

The Cesco 3" full hydraulic Double Acting Control Valve (Ram) is unique in the industry as it is designed with a built-in Safety Valve. So if your hydraulics fail the Ram will not collapse your load - it will lock & hold in position for safety & operational certainty .

Special Price: \$325.00+GST - PAINTED
